### NCI Cohort Consortium Portal (Members Only)

As a reminder, our [portal](#) is available to all Cohort Consortium members. Members can access relevant consortium data, resources and activities. Individual working groups and projects can set up their own private group space with permissions granted only to members of that specific working group or project.

### NCI Cohort Consortium Projects

[Proposal Applications](#) are accepted on the **1st of each month**. For a full listing of active working groups/projects, visit our [Projects](#) webpage or our internal [Portal](#) site.

### Project/Working Group Publications

Publishing soon? The NCI Cohort Consortium would like to highlight the tremendous work being done by our working group/project teams in our newsletter and on the [Cohort Consortium website](#). Feel free to send a quick email to [NCICohortConsortium@mail.nih.gov](mailto:NCICohortConsortium@mail.nih.gov) if you have a paper that is in press or published.
