

Community Health Councils, Inc.

African Americans Building a Legacy of Health
A REACH 2010 Project

ASSESSMENT MATERIALS AND CURRICULUM RELEASE PROTOCOL

Survey findings, data, tools developed, related materials and curriculum may be utilized by public and private organizations and individuals including researchers and others only after approval by the Project Director of the *African Americans Building a Legacy of Health*, REACH 2010 Project.

Request Requirements:

Written requests for and utilization of curriculum and assessment instruments and information including findings, training guides, and methodology must be submitted on the requesting organization's letterhead to:

Community Health Councils, Inc.

Attn: Project Director

African Americans Building a Legacy of Health, REACH 2010

3731 Stocker Street, Suite 201

Los Angeles, CA 90008

323.295.9467 (fax) ● gwen@chc-inc.org

Requests must contain the following information:

- Purposes for which the instrument(s), information or curriculum will be used;
- For any reference to data provided, agree to use the following citation:
"Assessment tools, (or data or survey training guides) used in this project were developed by Community Health Councils, Inc. in partnership with REACH 2010 *African Americans Building a Legacy of Health* collaborative";
- For use of assessment tools/instruments or curriculum, agree to retain Community Health Councils' logo or the citation line as shown above on all assessment-related materials, documents and curriculum;
- Any individuals or organizations amending instruments or curriculum agree to use the following credit: "this form/curriculum was adapted from tool (or survey training guide or curriculum) developed by Community Health Councils, Inc. in partnership with REACH 2010 *African Americans Building a Legacy of Health* collaborative".
