

The 2022 ANNUAL MEETING of
THE INTERNATIONAL RADIOGENOMICS CONSORTIUM (RgC)
UMCG, Groningen, The Netherlands.

RadioGenomics and Personalised Radiotherapy:
RadioGenomics and Personalised Radiotherapy:
The Challenges and Promises
The Challenges and Promises

Date: October 06-07, 2022.

Place: Groningen, The Netherlands.

*The 2022 ANNUAL RgC MEETING,
UMCG, Groningen, The Netherlands.*

**Dear esteemed Scientists and Colleagues,
Dear RgC Members,**

On behalf of the RgC steering committee, we are pleased to announce and cordially invite you to the 2022 RgC annual meeting that will take place on **October 06-07, 2022**. The meeting will be hosted by University Medical Centre Groningen (UMCG) and is located in UMCG-NH Hotel, Groningen, The Netherlands.

Description: This two-days meeting brings together the top experts from different continents, who will discuss the latest discoveries in radiogenomics, radiomics, radiobiology, human genetics, and statistical advances. Through keynote and invited lectures, the meetings will share the most important research ideas and plans for the upcoming years in radiogenomics and personalized radiotherapy. The forum will discuss what has been done in the past decade and what needs still to be done.

Meeting forum: The meeting will be in a *hybrid* format. You are most welcome to attend in-person, colleagues who wish to attend online, we will send your personal meeting link in TEAM, ZOOM, or COLLABORATE a few days ahead of the meeting date.

Abstracts: We would be delighted to have you to present at this meeting, to share your ideas, and to hear about your perspectives and research plans. You might present with a poster, give a presentation, participate in friendly discussions, and exchange ideas during two socializing dinner times. Wish you share your research results; please send your abstracts before **September 10, 2022** to this email: secretariaatepi@umcg.nl.

We will check quickly and get back to you with information on presenting your research results, such as poster, digital or oral presentation.

Registration: You are welcome to register by sending an email to secretariaatepi@umcg.nl. Please, include your full name, affiliation, and your contact number. We will send you registration forms, and fees, per receiving your email. Registration fee includes access to the meeting, meeting materials, reception, delicious services at breaks, lunches, and dinners—excluding accommodation.

Accommodation: We have reserved up to 20 rooms at NH hotel with an RgC-special discount.

Please use the following link to book your accommodation before **September 09, 2022**: [“Event-RGC ANNUAL SYMPOSIUM \(nh-hotels.com\)”](https://www.nh-hotels.com/event-rgc-annual-symposium) Might you have any questions, please email book.groningen@nh-hotels.com.

Visa: Wish you travel from outside of EU and you need to arrange visa, please register and we will send you a formal invitation. The International Office of UMCG will help you to file and submit your application.

We look forward to seeing you at the RgC Annual Meeting on OCT 06 in Groningen, the Netherlands.

With Warmest Wishes.

The RgC Organising committee
&

Departments of Epidemiology and Radiation Oncology, UMCG, The Netherlands

REGISTRATION
